

The Junior League of Lufkin has successfully completed another year of raising funds for Angelina County, and we are pleased to offer a portion of these funds to qualified organizations. Last year we started a new venture aimed at helping needy schoolchildren in Angelina County, the “Back to School Bonanza”. We were able to supply backpacks and school supplies, administer immunizations, and provide haircuts, as well as vision and dental screening to qualified students. Once again we are seeking to fund applying organizations that can partner with the League to assist with the success of this project. Assistance can be in the form of volunteers, literature, etc. This application must be completed and signed by an officer of the organization. A copy of the organization’s most recent financial statements must be returned with the application as well as the organization’s literature, if available. It is the policy of the Junior League of Lufkin that all funds received must be used within Angelina County.

Please send the completed application form by mail to:

Junior League of Lufkin  
Gina Green, Advisory Chair  
301 Heather St

JLL – Done in a Meeting

Questionnaire: Projects for our Grant Recipients

We have a time within our monthly meetings, where we ask members of the Junior League of Lufkin to participate in a specific project that supports our community. These are called “Done in a Meeting Project”. They are quick projects, which give us the opportunity to immediately impact an organization that we support. We would like to enlist you to think of ways that we can support your organization directly in one of our monthly meetings. Past “Done in a Meeting Projects” have included writing notecards to the elderly, addressing and / or stuffing envelopes for the business of an organization, collecting items for the food bank, etc. We would like you to be as creative as you can be to utilize our talents within our organization, keeping in mind that the most amount of time that we can spend on this is roughly ten minutes per meeting. We are asking all of our Grant Applicants to provide at least one, but possibly more, project ideas that will have a direct benefit to your organization. Please use the space below to describe to us how we can be of service to you at our monthly meetings. If additional space is desired, you may attach another sheet of paper to this application.
