### **Junior League of Lufkin March Volunteer of the Month – Lora Huerta**

Lora Huerta has gone above and beyond in her efforts for our League. She has a young, active family and didn't shy away from accepting a double placement this year, on two separate councils...all while working full-time.

One friend describes her as the "steady, trustworthy friend whose family is her number one priority." She is always willing to pitch in and help. Another friend says if you need help with anything...just ask her...she is always happy to help where she can." Her husband also says "she enjoys her life, she is intensely loyal to her family, her friends, her church and her social causes." He says she is confident, caring, intelligent, loving and beautiful.

Lora seems to keep giving to our community too. Her heart seems to continually reach out to the needy children in Angelina County. Her husband says she is passionate about children's welfare - especially education, health and nutrition. Because of this passion, this wonderful League lady makes additional time in her busy schedule to read to students through the Brandon HOSTS program. Even though it's not a League supported project anymore, she is dedicated to the project and has continued supporting the program. Her young son and "one old mutt" keep her pretty busy too. In the free time she has left, she enjoys traveling, enjoying the arts and theatre and international cuisine, curling up with a good vampire book or watching movies.
