Junior League of Lufkin 2012 Grant Applications

The Junior League of Lufkin has successfully completed another year of raising funds for Angelina County, and we are pleased to offer a portion of these funds to qualified organizations. Last year we started a new venture aimed at helping needy schoolchildren in Angelina County, the “Back to School Bonanza”. We were able to supply backpacks and school supplies, administer immunizations, and provide haircuts, as well as vision and dental screening to qualified students. Once again we are seeking to fund applying organizations that can partner with the League to assist with the success of this project. Assistance can be in the form of volunteers, literature, etc.

This application must be completed and signed by an officer of the organization. A copy of the organization’s most recent financial statements must be returned with the application as well as the organization’s literature, if available. It is the policy of the Junior League of Lufkin that all funds received must be used within Angelina County.

Applications for funding postmarked after **March 12, 2012** will not be accepted.

Please send the completed application form by mail to:
